

**University of British Columbia  
Department of Civil Engineering**

**PREREQUISITE REQUIREMENTS**

*This form should only be used by students who are unable to register in graduate courses with prerequisite requirements. The form should be completed by the student and submitted as a pdf to [gradsupport@civil.ubc.ca](mailto:gradsupport@civil.ubc.ca), along with a copy of the transcript confirming completion of the prerequisite. Once the instructor has confirmed approval, the student will be registered in the course. Otherwise, if you have not met a prerequisite requirement, you may still discuss this with the instructor and seek approval for registration in the course.*
